

TOWN OF ELLINGTON

DEPARTMENT OF PUBLIC WORKS

PRESS RELEASE – NOVEMBER 23, 2011

The Town of Ellington, Department of Public Works has entered in to an agreement with the State of Connecticut's Debris Disposal Firm, Ashbritt and Monitoring Firm, SAIC, to assist the Town forces in collecting debris from Storm Alfred. The Town forces have made one pass on all roadways with the exception of the Mosley Plains Subdivision, Woodside Acres and the roads off Middle Butcher and Upper Butcher.

Ashbritt crews have been assigned to work in those neighborhoods and will have a DPW employee with them to ensure all Town roads are collected, not private or State roadways.

The Town forces will continue to make progress into the Mosley Plains Subdivision and meet up with the Ashbritt forces working south from Woodside Acres. The Ashbritt crew, working the roadways off Middle and Upper Butcher, will move over to the roads within the Five-Corner' area that was first collected on November 1<sup>st</sup> thru the 6<sup>th</sup>.

The Town forces working off Ellington Avenue north to Kibbe Road will start the final pass through of roadways starting with roads off Cider Mill working up to the Lake Area and back to the Kibbe Road area.

Residents are reminded that the Hoffman Road Brush Disposal site is open Monday thru Sunday for disposing of debris 24 hours per day.

Should you have any questions or concerns please call the Public Works Department at 860-870-3140.
